DataOnline opens Asia Regional Office

Kuala Lumpur, Malaysia – July 1st , 2008. DataOnline Asia Regional Office Opens Today

DataOnline is pleased to announce that the first of several planned regional offices has opened in Kuala Lumpur, Malaysia. The Asia Regional Office (ARO) will solicit and support local representatives for DataOnline within the region as well as directly support DataOnline products and services to customers.

Louie Lim, ARO manager commented “DataOnline already has a local representative here in Malaysia and we are close to announcing our new representatives in Thailand and China. By the end of 2009 we plan to have local representation for our products and services in all major countries within the region. DataOnline already has an installed base in many countries in Asia. Local representative firms and a regional office to support the network of those companies will not only provide local service and support to existing customers but also be the necessary infrastructure to expand our installed base.”

Contact details for the ARO are:
