DataOnline announces Blue Stacks Company Ltd. as representative for Thailand.

Berkeley Heights, NJ – August 7th, 2008.

Blue Stacks Company Ltd. (www.bluestacks.co.th), headquartered in Bangkok, have signed an agreement today to represent DataOnline products and services in Thailand. Robert Barnacle, DataOnline President, commented “Blues Stacks have extensive Industrial Gas, Petrochemical and Chemical Industry experience and come with high recommendations from our existing customers who have a presence in Thailand. In our continuing effort to provide the very best in service and support globally, Blue Stacks have been chosen to represent DataOnline as part of our growth program for Asia. This is another success for our Asia Regional Office, based in Malaysia, who have been chartered with the task of growing our distribution network in Asia”

Mr. Panja Supprasert, Blue Stacks Managing Director, added “We are excited about this opportunity to represent DataOnline. We have the resources and expertise to provide the local support for DataOnline’s products and services and have established relationships within the Industrial Gas and Chemical Industries. We hope to help DataOnline grow their presence in Thailand and provide the local expertise and support their customers expect.”
