DataOnline to exhibit at GasWorld Middle East Conference, Abu Dhabi, Nov 23rd /24th.

Berkeley Heights, NJ – September 1st, 2009.

DataOnline, the leading provider of M2M (Machine-To-Machine) solutions to the industrial Gas Industry, announced today that it will be exhibiting at the GasWorld Middle East Conference, Beach Rotana Hotel, Abu Dhabi on November 23rd/24th 2009.

The fourth GasWorld conference will bring together world leaders and experts in the field of industrial gases and DataOnline will be exhibiting its latest products and services for remote asset monitoring and inventory management.

DataOnline, together with long time partner, Chart Industries, will be located in booth #0015.

If you would like to visit DataOnline at the Conference or wish to make a private appointment to be introduced to DataOnline's products and services please contact Robert Barnacle at rbarnacle@dataonline.com.

For more information about the conference please visit www.GasWorld.com.
