DataOnline announces Puerto Rico representative.

Berkeley Heights, NJ – October 1st, 2006 - DataOnline LLC has pleasure in announcing that it has established a local representative in Puerto Rico for sales and support of its DataOnline products and services.

“Montanas Electric, Inc., headquartered in Naguabo, is now supporting our existing customer base in Puerto Rico and is already developing some new and exciting remote monitoring opportunities “, commented Robert Barnacle, DataOnline President.

Daniel Smith, Montanas Electric Vice President and co-founder, further commented, “ We are excited about our relationship with DataOnline. Montanas Electric now provides installation, maintenance, sales and technical support services in Puerto Rico and we look forward to helping DataOnline expand its presence on the Island.

About Montanas Electric

Montanas Electric specializes in the design, programming, fabrication, installation and start-up of PLC/Instrumentation Control Systems, as well as all standard electrical contractor services. We are committed to providing the highest levels of customer service and support for all DataOnline customers.
